Additional Options for Wednesday nights (please check):

Choir is followed by a free snack supper and Bible Study programs for the children's groups from 6:15 to 7:30. _____ I wish my child to participate in this program following choir.

Also, there is a supervised childcare/study hall from 7:30 - 8:30 for children to participate in, giving parents the opportunity to take advantage of church activities (Bible Study, Choir, etc.). _____ I would like this option as well.
