“Life is going to return to normal. Homes and fields and vineyards are again going to be bought in this country.” – Jeremiah 32:15

- Jeremiah was making this purchase to express hope and offer assurance to God’s people that this difficult time will pass and give way to a new and better day. God was calling Jeremiah to make an extravagant investment on behalf of a future that only God could see. ***Tell of a time your church has been blessed by listening and responding to God’s leading for your congregation?***
- What is your Anathoth? ***Where might God be calling you to invest for the future?***

- Prayer and Adjournment
